

Introducing

# HondaLink | THE NEXT GENERATION

A new way to connect with your 2014 Civic.\* 5,11,12,33

\*Not available on Civic Sedan DX and LX and Civic Coupe LX.  
Screen images may vary.

## Start something connected.

Connect with your Civic like never before. Link your iPhone® 5s, 5c or 5 with HondaLink™ Next Generation<sup>5,11,12,33</sup> to transform your vehicle into a seamless digital hub loaded with music, podcasts, vehicle services and more – all on a 7-inch electrostatic touch-screen. You can even get turn-by-turn navigation with the HondaLink Navigation<sup>5,11,12,33,35</sup> app, or with the available built-in Honda Satellite-Linked Navigation System.<sup>TM7</sup>

It all starts with your new Honda Civic.

## Display Audio<sup>12</sup>

Change the music. Answer a phone call. Hear a text message. Make it all happen with your vehicle's Display Audio system. And with steering wheel-mounted controls, you'll be able to keep your eyes on the road and your hands on the wheel.

## Siri® Eyes Free<sup>5,11,12,28</sup>

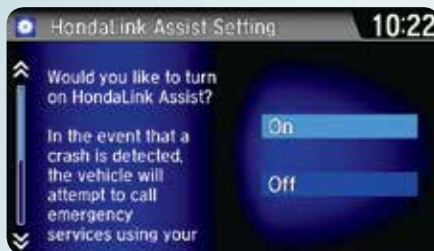

The intelligent assistant on your compatible iPhone® is now accessible through your Civic. Just press the steering wheel talk button until it beeps to interact with your compatible iPhone, hands-free.

U.S. map shown.

## Display Audio with Navigation<sup>7,12</sup>

The available Honda Satellite-Linked Navigation System features turn-by-turn directions, built-in SiriusXM™ Radio and Voice Recognition to help keep your eyes on the road.

## HondaLink Assist<sup>5,11,12,32</sup>

Introducing HondaLink Assist. If your vehicle's airbag deployment sensor is triggered, HondaLink Assist will automatically attempt to connect you to an emergency operator who can request that an emergency vehicle be dispatched to your location (a paired compatible Bluetooth®-enabled smartphone and cellular service is required).

# HondaLink<sup>5,11,12,33</sup> Next Generation Apps

Your new Civic was designed with smartphone functionality in mind, but on a large 7-inch screen. Take full advantage of HondaLink by downloading the entire suite of HondaLink apps. Plus, you can download and install updates right from your compatible iPhone.®

# HondaLink | THE NEXT GENERATION

## HondaLink App Launcher<sup>5,11,12,33</sup>

The launcher organizes your HondaLink apps, so you can access them with ease.

## HondaLink Connect<sup>5,11,12,33</sup>

Use HondaLink Connect to get the information that matters most to you. You'll be able to:

- Find local restaurants, gas stations and more
- Check the weather for virtually any city in the world
- Receive important messages from Honda

## HondaLink Aha<sup>5,11,12,16,33</sup>

Aha™ turns your favourite Internet content into personalized, on-demand radio stations. Listen to just about anything you want, including:

- Podcasts and audiobooks
- Internet radio with a variety of genres
- News/Sports/Talk programs

# HondaLink Navigation<sup>5,11,12,33,35</sup>

Get turn-by-turn navigation with continuously updated traffic information. If your Civic doesn't have built-in navigation, just download the HondaLink Navigation app from the App Store<sup>SM</sup> and you're ready to go (\$59.99\*).

\*Plus applicable tax. Price is subject to change.

2014 Civic EX-L Navi Coupe shown.

## Get started with HondaLink<sup>5,11,12,33</sup>

Ready to start using HondaLink? Make sure you have the following:

### iPhone® 5 or later

Compatible phones include iPhone 5s, iPhone 5c and iPhone 5. Previous iPhone models and all iPad® models are not supported.

### HondaLink iOS cables

If you don't have the required cables, you can purchase them from your local electronics retailer.

### HondaLink apps

Use your iPhone to download the apps from the App Store.

For more information, go to [honda.ca/hondalink](http://honda.ca/hondalink).

## Set up and connect your compatible iPhone

1. Open the App Store on your compatible iPhone and type "HondaLink" into the search box.
2. Download the HondaLink App Launcher, HondaLink Connect and HondaLink Aha apps.<sup>5,11,12,16,33</sup> The HondaLink Navigation app<sup>5,11,12,33,35</sup> is also available for \$59.99.\*

Optional (\$59.99\*)

\*Plus applicable tax. Price is subject to change.

3. Register through any of the apps, or use an existing Honda ID. Access the entire suite of apps with one login.

4. Open Settings on your compatible iPhone, then turn on *Bluetooth*.

5. On the Display Audio screen, select the Settings icon, *Bluetooth Device List*, then *Add Bluetooth Device*.

Bluetooth Device List

Add Bluetooth Device

6. Connect the HDMI® and USB cables to the inputs below the Display Audio panel, then to the Lightning AV adapter. Next, connect the adapter to your iPhone.

Actual cables may vary.

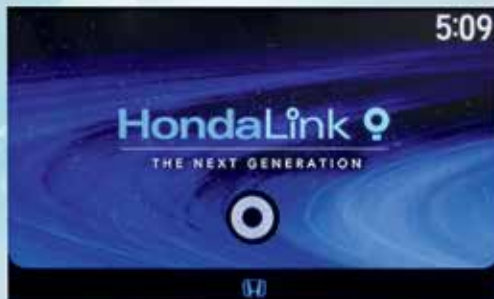

7. Push your Civic's red ENGINE START/STOP button, touch the CONNECT icon on the Display Audio screen, then select "Allow" on your compatible iPhone when prompted.

### Helpful hints *(Ensure you are safely in Park while connecting your iPhone.)*

iPhone cannot connect with the Display Audio system while locked  
Unlock your phone before connecting.

iPhone may disconnect from Display Audio due to notifications  
Stop in a safe location and close the pop-up to reconnect. To minimize interruptions, you can choose to modify your compatible iPhone's notification settings to None or Banners.

iPhone must request permission to connect with Display Audio  
To ensure authorized use, you must select "Allow" each time you connect.

Although descriptions are believed to be correct, accuracy cannot be guaranteed. Honda Canada Inc. reserves the right to make changes at any time, without notice or obligation, in colours, specifications, accessories, materials and models. Some vehicles are shown with optional equipment. Some vehicles shown are U.S. models. Canadian specifications may vary. Aha, the Aha logo, and the Aha trade dress are trademarks of HARMAN International Industries. Bluetooth is a registered trademark of SIG Inc. HandsFreeLink is a registered trademark of Johnson Controls Technology. Apple, the Apple logo, iPhone, iPad, iPod and Siri are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. © 2014 Sirius XM Canada Inc. "SiriusXM", the SiriusXM logo, channel names and logos are trademarks of SiriusXM Radio Inc. and are used under license.

<sup>5</sup>Only compatible with certain devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. <sup>7</sup>Map Database of the Honda Satellite-Linked Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current detailed coverage areas, refer to the Honda web site, [www.honda.ca](http://www.honda.ca). <sup>11</sup>Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. <sup>12</sup>Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. <sup>14</sup>Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. <sup>28</sup>Feature will access compatible iPhone only and not the vehicle. Images on vehicle's Display Audio system will not mirror images on compatible iPhone. <sup>29</sup>HondaLink™ Assist services are dependent upon cellular data and/or voice connection availability, HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface connectivity with the vehicle, and GPS satellite signal reception, each of which can limit the ability to reach either HondaLink™ Customer Care or receive support. The HondaLink™ Assist service uses location data. By using this service, you are consenting to and permitting your wireless carrier to share your location with others. Honda makes no representation, warranty or guarantee of accuracy, completeness or timeliness of any location data, product or service. For a full explanation of HondaLink™ Assist functionality and Honda's data use and privacy policy, see [www.honda.ca/hondalinkassist](http://www.honda.ca/hondalinkassist). Subject to applicable law, Honda reserves the right to terminate or change HondaLink™ Assist services and/or features at any time or for any reason, and in the future may not be able to provide services and/or features due to changes in technology, law or government regulation. For a full list of vehicles, devices and operating systems currently compatible with HondaLink™ Assist, please visit [www.honda.ca/hondalinkassist](http://www.honda.ca/hondalinkassist). <sup>39</sup>Registration required. Application download may be required. Depending on use, HondaLink™ can transmit to Honda and its providers: (i) a vehicle's location, speed and other operating conditions; and/or (ii) information that may be tied to the vehicle identification number (VIN). Such information can be combined to track a vehicle. For a full explanation of HondaLink™ functionality and Honda's data use and privacy policy, see [www.honda.ca/hondalink](http://www.honda.ca/hondalink). HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface may be required for certain services, features and/or applications. Some services, features and/or applications are dependent upon cellular data and/or voice availability and may require use of GPS for location-based content. Continued use of GPS running in the background can decrease battery life. Subject to applicable law, Honda reserves the right to terminate HondaLink™ services, features and/or applications at any time or for any reason, and in the future may not be able to provide services, features and/or applications due to changes in technology, law or government regulation. For a full list of vehicles, devices and operating systems currently compatible with HondaLink™, please visit [www.honda.ca/hondalink](http://www.honda.ca/hondalink). <sup>35</sup>Where a vehicle has a built-in Honda navigation system, this service may provide only a limited number of additional features. Requires one-time download of HondaLink™ Navigation application (CAD\$59.99 plus applicable taxes). Price is subject to change.
