- the venicle's Owner's Manual.

 4. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

 5. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

 6. Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.

 7. HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Honda may be required.

 8. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.
- 9. Coverage varies by market.

^{1.} Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
2. Accessory towing package required. Packages are available at an additional cost as a dealer-installed item. See your Owner's Manual for proper towing operation.
3. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

4. Experiment insures and performance the property of the proper

^{10.} Only available in certain areas. Includes a no-charge trial of three months.

11. Estimated fuel economy based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit http://vehicles.nrcan.gc.ca
