## 2016 CIVIC Coupe

For now, it's hot dates over play dates. T-shirts over pressed shirts. And day trips over day care. You've got two doors, but you're going to have double the fun.

## Half the doors, twice the fun

When the first Honda Civic was introduced, it had two doors. Now, 40 years later, the Civic Coupe still sports two doors and continues the Civic's fun-to-drive legacy. While a lot has evolved since then, the Civic Coupe remains true to its humble beginnings by giving you so much more than you expect.

This year, the 2016 Civic Coupe is arguably our best yet. We've given it a sporty-yet-luxurious new interior and upped its performance and technology features. For the first time, available Honda Sensing™ technologies will give you a new perspective on the road. But the new Civic Coupe didn't just get new guts and features inside; it also got a brand new, jaw-dropping exterior.

We completely reimagined the Coupe with a low-slung, aggressive stance and made it longer and wider. Plus, sleek, clean lines hugging the Coupe's exterior help it stand out from the crowd wherever it goes. Below its tough-looking shell sit standard 16" aluminum-alloy wheels. To satisfy the edgier side of you, 17" aluminum-alloy wheels are available as well. Around the back, you'll catch yourself admiring the view thanks to the signature LED taillights and taillight-integrated rear spoiler. If you think the Civic Coupe looks like fun, just wait until you get behind the wheel.

Available power moonroof with tilt feature

Available fog lights and mirror-integrated LED turn signal indicators

Standard LED daytime running lights and available LED headlights

## Expands your comfort zone.

Forget how quickly it moves. Let's focus on how quickly it impresses. The Civic Coupe can raise your temperature swiftly, with standard heated front seats. It can add a touch of luxury, with available leather-trimmed seating surfaces. Surround yourself with the latest tech advancements, like a 7" Display Audio System¹ that connects you to the road and your entertainment features. Apple CarPlay™1.2 and Android Auto™1.2 features make your Coupe feel like an extension of your smartphone. A multi-angle rearview camera¹ lets you reverse with added confidence. And the available proximity key entry system with pushbutton start makes it even easier to get in and get going. Yes, all of this is impressive. For the full experience, just hit the accelerator and find some open road.

- 1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.
- Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.
   Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.

Available leather wrapped steering wheel

Available dual-zone automatic climate control with air-filtration system

Available Honda Satellite-Linked Navigation System<sup>™1,3</sup> with bilingual Voice Recognition

Available 450-watt AM/FM Premium audio system with MP3/Windows Media\* Audio playback capability and 10 speakers including subwoofer

7" colour TFT centre meter display with Driver Information Interface

Available wireless charging

# Parking it should be illegal, period.

Whether it's a long drive or short haul, an open road or rush hour traffic, you'll look forward to powering through it all. That's because we've made the Coupe more fun to drive with two new Earth Dreams™ 4-cylinder engines. Depending on your trim, you'll love getting behind the wheel of the 2.0-litre, 16-valve, DOHC, i-VTEC® engine with 158 hp¹ or the 1.5-litre turbocharged direct-injected engine with 174 hp¹. Both engines were designed to strike a balance between performance and efficiency. If you're the type who loves full control, you'll love the 6-speed manual transmission (MT) available with the 2.0-litre engine, but if you want to pop it in drive and go, the available continuously variable transmission (CVT) is your golden ticket. Teamed up with the CVT and turbo, the available steering wheel-mounted paddle shifters help you shift things up your way. Ready for your next adventure? The Coupe is revved up and ready to go.

Eco Assist™ system

# See the world unfold around you.

The Civic Coupe may be more stylish, sporty and powerful, but it's also now more aware of the road. For the first time, the Coupe has available Honda Sensing™ technologies. These safety and driver-assistive technologies are designed to help improve the driver's situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity.

#### HONDA SENSING™ TECHNOLOGIES

#### Collision Mitigation Braking System™ (CMBS®).

To help reduce the likelihood or severity of a frontal impact, the available CMBS<sup>®1</sup> is engineered to apply brake pressure if you don't slow down when it senses you're at risk of a collision. If it still senses an imminent collision, CMBS<sup>®</sup> is designed to brake firmly.

## Road Departure Mitigation (RDM) system.

The available Road Departure Mitigation system<sup>1</sup> is designed to help steer and even apply the brakes to help keep the vehicle from leaving the road.

#### Lane Keeping Assist System (LKAS).

The available LKAS¹ is engineered to gently correct your steering when you begin to leave a detected lane without signaling, applying torque progressively to the steering to help guide you back to the centre of the lane.

### Lane Departure Warning (LDW) system.

The available LDW system¹ is designed to monitor vehicle lane position and alert you when your vehicle drifts into a new lane when you haven't signaled.

## Adaptive Cruise Control (ACC) with Low-Speed Follow.

The available ACC system<sup>1</sup> is designed to keep a set speed and set following interval behind a vehicle detected ahead of yours, including the ability to start and stop the vehicle with the flow of traffic.

## Forward Collision Warning (FCW) system.

The available FCW system¹ that is integrated with CMBS® is designed to detect the presence of vehicles in front of you and issue alerts if you're approaching with too much speed. If you fail to respond to the alerts, the CMBS® is triggered into operation.

None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use
handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional
feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

## Solid on safety.

At Honda, we strive to provide a high level of standard safety features to help ensure the safety of occupants, other drivers and even pedestrians. This added peace of mind helps our drivers maintain the confidence to enjoy every road to the fullest.

#### **ACTIVE SAFETY**

#### Controlled Braking

To assist with safe stopping, the 4-wheel Anti-lock Braking System¹ (ABS) is designed to help you maintain control under hard braking conditions, while Electronic Brakeforce Distribution (EBD) helps to optimize braking power based on weight distribution inside the vehicle. Further, Brake Assist is engineered to help improve braking performance by applying full brake pressure when a panic stop is detected.

### Vehicle Stability Assist (VSA®) with Traction Control

Vehicle Stability Assist¹ with Traction
Control is designed to sense and help
correct oversteer and understeer scenarios
to enhance handling and cornering stability,
while Traction Control is designed to
minimize wheel spin when accelerating
on loose or slippery surfaces, helping to
inspire greater driver confidence.

#### Hill Start Assist1

When you take your foot off the brake, this feature is engineered to temporarily maintain brake pressure to help prevent your Civic from starting to roll backwards when stopped on an incline.

#### PASSIVE SAFETY

## Advanced Compatibility Engineering™ (ACE™) body structure

The highly innovative, next generation Advanced Compatibility Engineering™ (ACE™) body structure is engineered to help disperse frontal impact energy to enhance occupant protection, while more effectively controlling it in severe collisions, to help prevent intrusion into the passenger cabin.

#### Six standard airbags

The cabin of the Civic is lined with six standard airbags. It features dual-stage, multiple-threshold front airbags (SRS) as well as side curtain airbags with rollover sensors, which are designed to deploy the side curtain airbags in the event of a rollover. Plus, it has Smartvent™ side airbags, which are designed to deploy safely in a manner that mitigates the risk of injury to out-of-position or smaller occupants.

#### HondaLink™ Assist Automatic Emergency Response System

The available HondaLink Assist Automatic Emergency Response System<sup>1,2,3</sup> helps you get the help you need when you need it most. If the airbags deploy, your Display Audio System<sup>1</sup> is designed to automatically attempt to put you on a call with an operator who will forward your location to first responders if needed. It works with any compatible Bluetooth<sup>®</sup>-paired phone as long as it has reception, does not require a subscription and gives you added peace of mind while you're on the road.

#### Seat belt safety

The Civic helps prepare you for the unexpected with 3-point height-adjustable front seat belts with automatic tensioning system and 3-point rear seat belts.

#### Child safety

The Civic features rear seat Lower Anchors and Tethers for Children (LATCH), which give you a simple and convenient method to install compatible child safety seats without using the vehicle's seat belt system.

#### Pedestrian safety

Innovative pedestrian safety features include an energy-absorbing hood and front fenders and deformable wiper pivots.

## Accessories.

## The Power of Dreams, in all their forms.

At Honda, we're committed to being a leader in innovative thinking. It's part of everything we do, from the design of our vehicles to the way we work. We have a proud tradition of turning ideas into products and initiatives that help move and improve people's lives in every conceivable way. Today, our innovation manifests itself in many forms: our revolutionary Earth Dreams™ technology, the race-inspired performance of our motorcycles and automobiles, the world's most advanced humanoid robot, ASIMO, HondaJet, the fastest, highest flying and most fuel-efficient aircraft in its class, and the first full line of fuel-efficient, low-emission, 4-stroke outboard motors. We continually strive to do things others think can't be done, because true innovation comes from daring to dream.

Beyond dreaming up new products, Honda believes we have a responsibility to do everything we can to help preserve our planet. This belief is why we make significant efforts to help ensure preservation of the environment in all of our company's activities. It's why our head office in Markham, Ontario was designed and built to be LEED® (Leadership in Energy and Environmental Design) Gold Certified. It's why our Alliston, Ontario plant is ISO 14001 certified. And it's why Honda, along with our associates and families, has helped plant more than 100,000 trees in Canada over the last 9 years.

As we move forward, we will continue to honour our responsibility and tradition of turning innovative ideas into products that help make our world a better place. That's what we do. That's The Power of Dreams.

**We're Here.** At Honda, assistance and support are always available. The team of trained technicians at your Honda dealership will help keep your vehicle in terrific shape. If you need more information or assistance relating to your warranty, call us at 1-888-9-HONDA-9. For all of the latest Honda information, including product specifications, pricing, photos and more, visit honda.ca. It has everything you need to "design" your Honda and personalize it with items from a list of quality accessories.

We're Ready to Help. When you purchase a new Honda, you automatically receive Honda Plus Roadside Assistance. This service is available to you, or any authorized driver, 24 hours a day, 7 days a week, anywhere in Canada or the continental United States. Coverage is for 3 years over an unlimited distance and includes a 24-hour toll-free Honda Plus Roadside Assistance number, mechanical breakdown towing, emergency roadside service and many other helpful features. Ask your dealer for more information.

**Honda Plus Extended Warranty.** Experience added protection with Honda Plus coverage that is behind you for the road ahead. With available coverage options of up to 8 years/200,000 km, you can choose the one that best suits your needs. With a plan this wide-ranging, the only thing that's uncertain is where it will take you.

**Honda Financial Services.** Whether you buy or lease a Honda, Honda Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.

**New Honda Vehicle Warranty.** The Honda warranty protection makes Power Train components a minor concern with the Honda 5-year/100,000-km No Nonsense Warranty. In addition to the Honda 5-year/100,000-km No Nonsense Warranty, you and your new Honda are protected by a Honda 3-year/60,000-km Distributor's Warranty as well as an additional series of warranties for such items as emission controls, body corrosion and more.

**Genuine Honda Accessories** give you the opportunity to fine-tune your new Honda just how you like it. Whether you want to turn up the style, the versatility or the exclusivity, every accessory is designed and built to adhere to the strictest Honda standards. See your dealer for full details.

**Genuine Honda Replacement Parts** are made to the same exacting standards as original Honda components and are guaranteed by the Genuine Honda Parts Warranty. Using Genuine Honda Parts will help to maintain the quality, reliability and performance of your vehicle.

Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in a rear seat. Honda reminds you to properly secure all items stored in the cargo area.

Some of the technologies described in this brochure come with limitations. See owner's manual for complete details. Horsepower and torque calculations reflect SAE net., Rev. 08/04, SAE J1349 procedures.
 None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.
 Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.
 Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.

<sup>5.</sup> Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.

Coverage varies by market.
 Only available in certain areas. Includes a no-charge trial of three months.
 Estimated fuel economy based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit http://webicles.nrcan.gc.ca

### Trims

#### KEY FEATURES:

- 158-hp1, 2.0-litre, 16-valve, Port Injection, DOHC, i-VTEC® 4-cylinder engine
- 7" colour TFT centre meter display with Driver Information Interface
- 12-volt power outlet
- 16" aluminum-alloy wheels (black finish)
- 60/40 split fold-down rear seatback
- 180-watt AM/FM audio system with MP3/Windows Media® Audio playback capability and 8 speakers
- 4-wheel Anti-lock Braking System<sup>2</sup> (ABS)
- 6-speed manual transmission (MT)
- Available continuously variable transmission (CVT)
- Apple CarPlay™2,3 / Android Auto™2,3
- Automatic climate control with air-filtration system
- Bluetooth® Streaming Audio2,3
- Body-coloured door handles
- Body-coloured heated power door mirrors including expanded view driver's mirror
- Brake Assist
- Display Audio System<sup>2</sup> with HondaLink™2,3
- Drive-by-Wire Throttle System  $^{™}$
- Driver's and front passenger's vanity mirrors
- Driver's seat with 6-way manual adjustment • Dual-stage, multiple-threshold front airbags (SRS)
- ECON mode button and Eco Assist™ system
- Electronic Brake-force Distribution (EBD)
- Exterior temperature indicator
- Folding door mirrors
- Front splash guards
- HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface2,3
- Heated front seats
- HondaLink™ Assist Automatic Emergency Response System<sup>2,3,4</sup>
- Illuminated steering wheel-mounted audio controls with capacitive touch controls
- Independent multi-link rear suspension
- Independent strut front suspension
- Lower Anchors and Tethers for Children (LATCH)
- Multi-angle rearview camera<sup>2</sup> with dynamic guidelines
- Multi-functional centre console storage
- Next-Generation Advanced Compatibility Engineering™ (ACE™) body structure
- Power door locks
- Power windows with auto-up/down driver's and passenger's window
- Power-assisted, ventilated front disc/ solid rear disc brakes
- Projector-beam halogen headlights with auto-on/off
- Remote entry system with electronic trunk release
- · Security system
- Side curtain airbags with rollover sensor system

#### CIVIC LX COUPE (CONTINUED)

- Siri Eyes Free compatibility<sup>2,</sup>
- Smartvent<sup>™</sup> side airbags
- SMS text message<sup>2,3</sup> / E-mail function<sup>2,3</sup> Steering wheel-mounted cruise control
- Taillight-integrated rear spoiler
- Tilt and telescopic steering column
- USB device connector<sup>3</sup> (2)
- Variable Ratio Electric Power-Assisted Rack-and-Pinion Steering (EPS)

HONDA SENSING™ TECHNOLOGIES

Collision Mitigation Braking System™<sup>2</sup> (CMBS®)

Adaptive Cruise Control (ACC)<sup>2</sup> with Low-Speed Follow

• Forward Collision Warning (FCW) system<sup>2</sup>

• Road Departure Mitigation (RDM) system<sup>2</sup>

• Lane Departure Warning (LDW) system<sup>2</sup>

Lane Keeping Assist System (LKAS)<sup>2</sup>

AVAILABLE ON LX (CVT) AND EX-T.

STANDARD ON TOURING

- Vehicle Stability Assist<sup>2</sup> (VSA®) with Traction Control
- Wi-Fi tethering<sup>3</sup>
- Available Honda Sensing™ Technologies (CVT)

#### CIVIC EX-T COUPE

#### ADDS TO OR REPLACES LX FEATURES:

- 174-hp<sup>1</sup>, 1.5-litre, 16-valve, Direct Injection, DOHC, turbocharged 4-cylinder engine
- 17" aluminum-alloy wheels (aero design)
- Continuously variable transmission (CVT)
- · Dual-zone automatic climate control with air-filtration system
- Honda LaneWatch™ blind spot display²
- Illuminated driver's and front passenger's vanity mirrors
- Leather-wrapped steering wheel
- Power moonroof with tilt feature
- Proximity key entry system with pushbutton start
- · Remote engine starter
- Speed-sensing, variable intermittent windshield wipers
- Steering wheel-mounted paddle shifters
- Available Honda Sensing™ Technologies

#### CIVIC TOURING COUPE

#### ADDS TO OR REPLACES EX-T FEATURES:

- 17" aluminum-alloy wheels
- 450-watt AM/FM Premium audio system with MP3/ Windows Media® Audio playback capability and 10 speakers including subwoofer
- Auto-dimming rearview mirror
- Chrome door handles
- Display Audio System<sup>2</sup> with Honda Satellite-Linked Navigation System™<sup>2,5</sup> with bilingual Voice Recognition
- HD Radio™6
- Leather-trimmed seating surfaces
- LED headlights (high and low beam) with auto-on/off
- Mirror-integrated LED turn signal indicators Rain-sensing windshield wipers
- SiriusXM™<sup>7</sup>
- · Wireless charging

## Exterior & Interior Colours

Taffeta White

7. Only available in certain areas. Includes a no-charge trial of three months.
