

HONDA
GENUINE PARTS & SERVICE

We value the Trust you put in us.

Did you know?

Cold weather can adversely affect your car's battery. On average, the life of a car battery is 3.5 years. A battery test at your Honda dealer can help assess if you need a new battery, or when it may need to be replaced.

Genuine Honda Battery.

Will this be the season your old battery lets you down? Make every start a smooth one with a Genuine Honda battery. With our 60-month warranty, a Honda battery makes powerful sense.

Starting From
\$97⁴³

Winter tires can reduce braking distance by 25% on wintry road surfaces compared to an all-season tire. Don't wait for snow - Winter tires should be installed as soon as the weather hits -7 degrees celsius. Protect yourself and your investment.

Genuine Honda Steel Wheel & Winter Tire Package.

Get ready for winter with Honda Tire Source! Our large selection of popular winter tires brands and Genuine Honda steel and/or alloy wheels will give you the added safety to get you through the harsh Canadian winters.

*2007-2008 Honda Fit DX, LX Application, Steel Wheel 14", 175/65R14 82S Uniroyal Tiger Paw Ice & Snow II, Winter Tires (price excludes mounting, balancing and installation)

Starting From
\$639⁷⁶
(set of 4)

During the hot summer weather, the rubber on your wiper blades can distort and crack from the heat! On average, wiper blades need to be changed every 6 to 12 months.

Genuine Honda Wiper Blade Insert.

Sleet, snow, rain, sun, mud - there's nothing like cold weather to put your wipers to the test. New Honda wipers will reduce streaking and windshield glare, and help improve visibility.

Starting From
\$5⁶³
each

Our Honda dealership staff are trained to offer expert advice regarding your vehicle. We specialize in Honda vehicles - trust us to get the expert advice you need for your Honda this season.

Genuine Honda Brake Pad or Shoe Replacement.

Improve your vehicle's braking performance with a brake pad or shoe replacement. Service includes installation of front or rear brake pads or rear shoes and servicing of front calipers or rear brakes.

Starting From
\$124⁸⁸

(car - installed price)

Starting From
\$138⁸⁸

(truck - installed price)

(Drum machining or replacement of rotors extra)

TRUST ONLY GENUINE Honda Parts and Service.
