Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in a rear seat. ¹Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures. ²Does not replace the driver's responsibility to exercise due care while driving. ³For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. ⁴Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁵Only compatible with certain devices. ⁶HomeLink™ can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Honda may be required. ⁷Map Database of the Honda Satellite-Linked Navigation System covers major metropolitan areas in southern Canada and the 48 contiguous U.S. states. For a list of current detailed coverage areas, refer to the Honda web site, www.honda.ca. ⁸Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁹Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ¹⁰Text message and e-mail functions are only compatible with certain devices. Only use these functions when conditions allow you to do so safely. ¹¹Standard data rates may apply. ¹²Launch smartphone applications only when the vehicle is safely parked. ¹³Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.siriusxm.ca. ¹⁴Based on 2014 EnerGuide Fuel Consumption Guide ratings published by Natural Resources Canada. Transport Canada approved test methods used. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.
