FEATURES

ACCESSORIES

Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in a rear seat. Honda reminds you to properly secure all items stored in the cargo area. ¹Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures. ²Does not replace the driver's responsibility to exercise due care while driving. ³Only compatible with certain devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. ⁴Map Database of the Honda Satellite-Linked Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current detailed coverage areas, refer to the Honda web site, www.honda.ca. ⁵Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ⁶Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. ⁷Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. ⁸Based on 2014 EnerGuide Fuel Consumption Guide ratings published by Natural Resources Canada. Transport Canada approved test methods used. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. ⁹Text message function is only compatible with certain devices. Only use this function when conditions allow you to do so safely. ¹⁰HondaLink™ Assist services are dependent upon cellular data and/or voice connection availability, HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface connectivity with the vehicle, and GPS satellite signal reception, each of which can limit the ability to reach either HondaLink™ Customer Care or receive support. The HondaLink™ Assist service uses location data. By using this service, you are consenting to and permitting your wireless carrier to share your location with others. Honda makes no representation, warranty or guarantee of accuracy, completeness or timeliness of any location data, product or service. For a full explanation of HondaLink™ Assist functionality and Honda's data use and privacy policy, see www.honda.ca/hondalinkassist. Subject to applicable law, Honda reserves the right to terminate or change HondaLink™ Assist services and/or features at any time or for any reason, and in the future may not be able to provide services and/or features due to changes in technology, law or government regulation. For a full list of vehicles, devices and operating systems currently compatible with HondaLink™ Assist, please visit www.honda.ca/hondalinkassist. ¹¹Registration required. Application download may be required. Depending on use, HondaLink™ can transmit to Honda and its providers: (i) a vehicle's location, speed and other operating conditions; and/or (ii) information that may be tied to the vehicle identification number (VIN). Such information can be combined to track a vehicle. For a full explanation of HondaLink™ functionality and Honda's data use and privacy policy, see www.honda.ca/hondalink. HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface may be required for certain services, features and/or applications. Some services, features and/or applications are dependent upon cellular data and/or voice availability and may require use of GPS for location-based content. Continued use of GPS running in the background can decrease battery life. Subject to applicable law, Honda reserves the right to terminate HondaLink™ services, features and/or applications at any time or for any reason, and in the future may not be able to provide services, features and/or applications due to changes in technology, law or government regulation. For a full list of vehicles, devices and operating systems currently compatible with HondaLink™, please visit www.honda.ca/hondalink.
