* Offer applies to eligible retail purchase agreements. Only guaranteed until December 31, 2009, while supplies last. This offer is valid on WB20XK2C water pumps. Combined manufacturer's and dealer's discount is deducted off MSRP before taxes and is \$100 on the WB20XK2C. Prices do not include freight & PDI, taxes and applicable fees. Dealer may sell for less. Models and colours may not be exactly as shown. Prices/specification subject to change without notice. See dealer for details. Dealer order or trade may be necessary. For optimum performance and safety, please read your owner's manual carefully before operating your Honda Power Equipment. At participating dealers only.
