

TYPE **R**

Shaped by, and for, performance,
the cockpit gets your pulse going
before you even start the ignition.

The Honda we've dreamed of building. The Type R you've been waiting for.

For Honda, racing has always been the pinnacle of automotive art. Hence the Civic Type R: an eye-catching car for the road that just happens to hold the record lap time for a front-wheel drive car on the world-famous Nürburgring. In actuality, there's no hiding the Type R's racing pedigree – not with its uncompromising performance features, including a direct-injected 2.0 litre VTEC® turbocharged 4-cylinder engine with 306-horsepower¹ and 295 lb-ft of torque,¹ and matching powerful looks.

Design

Aluminum hood with air intake

Type R badging and unique
serial number plate

20" aluminum-alloy wheels in
piano black with red accents

Skirt package

Rear wing spoiler

Red suede-effect fabric front sport seat

Aluminum-trimmed sport pedals

Performance

2.0-litre, 16-valve VTEC[®] turbocharged
4-cylinder engine, 306 horsepower,¹
295 lb-ft of torque¹

6-speed manual transmission
with rev-match control

3-mode drive system

Brembo[®] 4-piston aluminum front
brake calipers

Triple centre exhaust

Highlights

- 2.0-litre, 16-valve, Direct Injection, DOHC, VTEC,¹ turbocharged 4-cylinder engine
- Torque (lb.-ft. @ rpm):¹ 295 @ 2500-4500
- Horsepower @ rpm:¹ 306 @ 6500
- 20" aluminum-alloy wheels (piano black with red accents)
- 3-mode drive system (Comfort/Sport/+R)
- 542-watt AM/FM Premium audio system with MP3/Windows Media[®] Audio playback capability and 12 speakers including subwoofer
- 6-speed manual transmission (MT) with rev-match control
- 60/40 split fold-down rear seatback
- Adaptive damper system
- Aluminum hood with air intake
- Aluminum shift knob
- Apple CarPlay^{™2,3}/Android Auto^{™2,3}
- Body-coloured vortex generator
- Brembo[®] 4-piston aluminum front brake calipers
- Carbon fibre finish skirt package (front, side and rear) with red styling line
- Display Audio System² with Honda Satellite-Linked Navigation System^{™2,4} with bilingual Voice Recognition
- Helical limited slip differential
- Honda LaneWatch[™] blind spot display²
- HondaLink[™] Assist Automatic Emergency Response System^{2,3,5}
- Leather-wrapped steering wheel
- LED daytime running lights
- LED foglights
- LED headlights (high and low beam)
- LED taillights
- Multi-angle rearview camera² with dynamic guidelines
- Next-Generation Advanced Compatibility Engineering[™] (ACE[™]) body structure
- Power-assisted, ventilated and cross drilled front disc/solid rear disc brakes
- Proximity key entry system with pushbutton start
- Rear wing spoiler
- Red Honda "H" badges (front/rear)
- Red suede-effect front fabric sport seats with Type R logo
- Seating capacity: 4
- Textured aluminum pedals
- Triple centre exhaust with chrome finisher
- Type R serial number plate
- Wireless charging

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

3. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

4. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.

5. Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.
