1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.
3. Track tires are designed for peak on-track performance, and will exhibit faster wear and tear compared to standard tires. These tires are not intended for use in colder temperatures, on snow or ice, or through standing water.
4. Only compatible with certain devices and operating systems. Operation may be dependent upon GPS satellite signal reception and available cellular data and/or voice connection. Associated charges (incl. data plans, roaming charges or other amounts charged by your wireless carrier) may apply.
5. Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.
6. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.
7. Coverage varies by market.
8. Only available in certain areas. Includes a no-charge trial of three months.
9. Fuel consumption figures for the Civic Type R Limited Edition trim are expected to be available in Fall 2020. Please visit honda.ca/civic_type_r for details.
10. Based on SAE J1100 cargo volume measurement standard, plus rear footwell space and front seats moved forward.
