

2011 Civic SEDAN

Less paper today means more blue skies tomorrow.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children*, and with this vision in mind, we felt it was time to make a change for the greater good of the planet.

That's why Honda Automotive has decided to print fewer paper brochures and start encouraging people to visit honda.ca to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

A car for Canada. A Civic for everyone.

The 2011 Honda Civic. More than just Canada's best-selling* car 12 years in a row, the Civic lineup is a shining example of the high standards Honda has set as an automaker. Driving a Civic is about having everything you want in a car, without compromise. A car that's a champion of the environment with low-emission fuel-efficient engines. A car where safety isn't simply a list of features; it's a pledge to protect you, your passengers and even the people around you. And just to top it all off, a car that's extremely fun to drive.

*Based on Association of International Automobile Manufacturers of Canada (AIA^{MC}) data reflecting sales between October 1997 and August 2009.

CANADA'S CAR. | Civic

Introducing the ride of your life.

The Civic Sedan was designed with one point of view in mind – yours. From the outside, it's impossible to ignore its cutting-edge aerodynamics, clean lines and aggressive stance, but it's on the inside where the real driving excitement begins. A sporty digital instrument panel offers quick reads, so your eyes will always be focused on the road ahead. The height-adjustable driver's seat and tilt and telescopic steering column allow for the perfect driving position. Smooth-operating tactile switches are intuitively located and easy to reach. Simply put, the Civic has everything you've been wishing for – and a little bit more.

CANADA'S CAR.

Civic

Puts the sedan in its place. Out in front.

Introducing the 2011 Civic Sedan Special Edition, a fresh take on a proven performer. It has the reliability and efficiency you expect from the 4-cylinder, SOHC, i-VTEC® engine, and more standard features to sweeten the deal, like 16" aluminum-alloy wheels, heated side mirrors, and a power moonroof. You get a whole lot of Civic, which translates to a whole lot of Special Edition fun.

- 16" aluminum-alloy wheels
- All-season tires: P205/55 R16
- Power-assisted, solid rear disc brakes
- Body-coloured heated side mirrors
- Body-coloured door handles
- Exhaust finisher
- Power moonroof with tilt feature
- Special Edition badge
- Variable intermittent windshield wipers
- Exterior temperature indicator
- Map lights
- Power windows with auto-up/down driver's window
- Rear beverage holders
- Remote entry system with electronic trunk release
- USB device connector
- Black cloth interior with silver contrast accent stitching
- 60/40 split fold-down rear seatback
- Rear-seat centre armrest
- Leather-wrapped steering wheel

Sedan, yes.
Sedate, no.

The Civic Sedan Si. Whoever said all sedans are the same obviously hasn't met the new Civic Sedan Si. Or experienced the thrilling performance and fuel efficiency of a 197-hp, 2.0-litre, 16-valve, DOHC, i-VTEC 4-cylinder engine. Or explored the ultraquick shifting of a close-ratio 6-speed manual transmission. Or carved a corner with the confidence that comes from a helical limited-slip differential. Or rekindled their feeling for the open road in a sport-tuned-strut-front and double-wishbone-rear-suspension kind of way. Or heard the difference a 7-speaker, 350-watt AM/FM/CD Premium audio system with subwoofer and USB device connector makes to performing all of the above.

The power to change the world.

But best of all there's the luxury of knowing the Civic Hybrid is a low-emission vehicle with a Tier 2 Bin 2 rating that delivers maximum fuel efficiency using a compact 1.3-litre, i-VTEC 4-cylinder engine with the added boost of the self-sufficient Integrated Motor Assist IMA[®] system. Translation: Doing your part to save the planet has never been easier — or more exhilarating.

The advanced Civic Hybrid, with its exceptional fuel efficiency and incredibly low emissions, is as much a friend of the environment as it is fun to drive. The future is here. And it's actually more powerful and luxurious than you would think.

As one of Canada's most affordable hybrids, the Civic Hybrid features all the stylish interior amenities and comfortable luxuries of its cousin, the Civic Sedan, from a 6-speaker, 160-watt AM/FM/CD audio system with MP3/Windows Media Audio capability to steering wheel-mounted controls and automatic climate control, power windows, mirrors and door locks.

The IMA[®] System adds extra power when you need it, and under certain cruising conditions, the IMA System can take over entirely, allowing the vehicle to run on the electric motor alone. What's more, the Civic Hybrid is equipped with a smooth continuously variable transmission (CVT), which blends the ease of an automatic with the efficiency of a manual, increasing torque capacity with lower friction.

And with an easy-to-read instrument panel featuring a trip computer and the IMA display, you can see how the system is working and how far you can go. Plus, a self-contained, self-sufficient on-board battery recharges itself using kinetic energy created during slowing or braking — and there's no plug to worry about.

The 2011 Civic Hybrid is pure power.

Civic

SEDAN / Si / HYBRID

Civic DX Sedan

140-hp, 1.8-litre, 16-valve, SOHC, i-VEEC® 4-cylinder engine • 5-speed manual transmission (MT) • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) • 12-volt power outlet • 15" steel wheels with full covers • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 4 speakers • Active front seat head restraints • Advanced Compatibility Engineering™ (ACE™) body structure • Audio anti-theft feature • Control-link MacPherson strut front suspension • Drive-by-Wire Throttle System™ • Driver's seat with manual height adjustment • Dual-stage, dual-threshold front airbags (SRS) • Folding and power side mirrors • Front and rear stabilizer bars • Front console armrest • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • Lower Anchors and Tethers for Children (LATCH) • MP3/auxiliary input jack • Maintenance Minder system • Multi-functional centre console storage • Power-assisted rack-and-pinion steering • Power windows • Reactive-link double-wishbone rear suspension • Rear decklid spoiler • Side curtain airbags • Tilt and telescopic steering column

Civic DX-G Sedan Adds to or replaces DX features:

Available 5-speed automatic transmission (AT) with Grade Logic Control and lockup torque converter • 15" lightweight aluminum-alloy wheels • Air conditioning with air-filtration system • Electric variable power-assisted rack-and-pinion steering (EPS) (MT only) • Programmable automatic power door locks • Remote entry system • Steering wheel-mounted cruise control

Civic SE Sedan Adds to or replaces DX-G features:

16" aluminum-alloy wheels • 60/40 split fold-down rear seatback • Black cloth interior with silver contrast accent stitching • Body-coloured door handles • Body-coloured heated folding power side mirrors • Exterior temperature indicator • Leather-wrapped steering wheel • Map lights • Power-assisted rack-and-pinion steering • Power-assisted, ventilated front disc/solid rear disc brakes • Power moonroof with tilt feature • Power windows with auto-up/down driver's window • Rear beverage holders • Rear-seat centre armrest • Remote entry system with electronic trunk release • USB device connector • Variable intermittent windshield wipers

Civic EX-L Sedan Adds to or replaces SE features:

5-speed automatic transmission (AT) with Grade Logic Control and lock-up torque converter • 12-volt power outlets (2) • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 6 speakers • Heated front seats • Leather-trimmed seating surfaces • Steering wheel-mounted audio controls • Vehicle Stability Assist (VSA®) with Traction Control

Civic Si Sedan Adds to or replaces EX-L features:

197-hp, 2.0-litre, 16-valve, DOHC, i-VEEC® 4-cylinder engine • Close-ratio 6-speed manual transmission • 17" aluminum alloy wheels • 350-watt AM/FM/CD Premium audio system with MP3/Windows Media® Audio playback capability and 7 speakers including subwoofer • Electric variable power-assisted rack-and-pinion steering (EPS) • Fog lights • Helical limited-slip differential • Rear wing spoiler with integrated LED brakelight • Sport seats with high-contrast stitching and embroidery • Sport-tuned control-link MacPherson strut front suspension • Sport-tuned reactive-link double-wishbone rear suspension

Civic Hybrid Sedan

110-hp, 1.3-litre, 8-valve, SOHC, i-VEEC® 4-cylinder engine with Integrated Motor Assist IMA® • Continuously variable transmission (CVT) • 15" lightweight aluminum-alloy wheels • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 6 speakers • Automatic climate control with air-filtration system • Body-coloured heated folding power side mirrors with integrated turn indicators • Brake Assist • Digital fuel-mileage indicator • Electric variable power-assisted rack-and-pinion steering (EPS) • IMA® battery state of charge indicator • IMA® charge indicator • MP3/auxiliary input jack • Power-assisted, ventilated front disc/rear drum brakes • Programmable automatic power door locks • Rear decklid spoiler • Remote entry system with electronic trunk release • USB device connector • Vehicle Stability Assist (VSA®) with Traction Control

Accessories

- 16" or 17" alloy wheels
- 18" alloy wheels – HFP
- 2-port harness
- Air conditioning
- All-weather floor mats
- Ashtray – cup holder style
- Automatic day/night rearview mirror with compass
- Brake pads
- Brake rotors – front and rear
- Car cover
- Cargo hooks
- Cargo net
- CD changer – 8 disc
- CD changer magazine – 8 disc
- Chrome exhaust finisher
- Cigarette lighter
- Door edge film
- Door visor kit
- Engine block heater
- Floor liner
- Fog lights
- Front, side and rear skirts
- Full nose mask
- Honda i-LINC®
- Hood edge deflector
- Interior gauge trim kit – silver
- Interior illumination – blue
- Interior trim – carbon-fibre look
- Leather steering-wheel cover
- Locking wheel nuts
- Moonroof visor
- Rear bumper appliqué
- Rear-seat door cup holders
- Rear splash guards
- Remote engine starter
- Side sill garnish
- Sport muffler
- Sport suspension
- Trunk edge and bumper protector
- Trunk tray

Accessories may not be available on all trim levels.

We're Here. At Honda, assistance and support are always available. The team of trained technicians at your Honda dealership will keep your vehicle in terrific shape. Honda accessories installed at the time your vehicle is purchased are covered under the 3-year/60,000-km limited warranty. If you need more information or assistance, call us at 1-888-9-HONDA-9. For all of the latest Honda information, including product specifications, pricing, photos and more, visit honda.ca. It has everything you need to “design” your Honda and personalize it with items from a list of quality accessories.

Quality Honda Accessories give you the opportunity to fine-tune your new Honda just how you like it. Whether you want to turn up the style, the versatility or the exclusivity, every accessory is designed and built to adhere to the strictest Honda standards. See your dealer for full details.

Genuine Honda Replacement Parts are made to the same exacting standards as original Honda components and are guaranteed by the Genuine Honda Parts Warranty.

Honda Financial Services. Whether you buy or lease a Honda, Honda Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.

We're ready to help. When you purchase a new Honda, you automatically receive Honda Plus Roadside Assistance. This service is available to you or anyone else driving your vehicle, 24 hours a day, 7 days a week, anywhere in Canada or the continental U.S. Coverage is for 3 years over an unlimited distance and includes towing, battery boosting, lockout assistance plus many other helpful services. Ask your dealer for more information.
